

The Denver Metroplex Project - Workshop Dates and Locations

The Federal Aviation Administration (FAA) is providing this update as of April 11, 2019 for the Denver Metroplex project.

The Denver Metroplex project is a federal action under the National Environmental Policy Act (NEPA). The FAA is completing an Environmental Assessment pursuant to NEPA. The Draft Environmental Assessment is anticipated to be released April 22, 2019. As part of this review, the FAA will hold 12 public workshops at multiple locations around the Denver Metro area. Residents of Denver and the surrounding areas are encouraged to attend the public workshops.

A 45-day public comment period from April 22, 2019 through June 6, 2019 will be available within which to submit comments on the Draft Environmental Assessment. Additionally, the FAA will provide updates on the Denver Metroplex project website with information regarding the Draft Environmental Assessment and the public workshops.
